To Whom It May Concern,

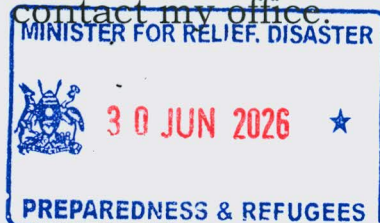

RE: RECOMMENDATION FOR STOVEPLUS PROJECT (MR. EGON MAISSEN)

I am pleased to recommend Mr. Egon Maissen and the StovePlus Project implemented under the For Afrika Association. The project has been active in Northern Uganda since 2022, specifically in Erute County South, Lango Sub-Region. To date, 1,621 cooking stoves have been installed across 31 villages, benefiting approximately 12,644 Ugandans.

1. The project contributes significantly to Uganda's national priorities by:
2. Improving health through smoke-free cooking
3. Reducing deforestation and combating climate change
4. Empowering local communities

Mr. Maissen has demonstrated strong transparency, accountability, and impact. I strongly recommend this project for support and partnership with Foundations and other donors. Should you require further information, please contact my office.

Sam Engola (MP)
